

Guided tour of the Chateau

Discover the castle with the family who still lives in the castle. The Castle has kept its original furniture and decoration. In the dining room, the table is reconstituted for an Oyster lunch. You will see the precious silver cutlery, the beautiful silver plates, and on the shelf, all glassware. In each room of the castle, a table is set for tea, chocolate, the coffee, and the precious moments of the day.

The miniature furniture museum

A unique museum to admire in the Orangery of the Chateau. Discover a fascinating and rare collection of more than 800 masterworks of craftsmanship and thousands of miniature copies of furniture and other ivory, ceramic, silver, crystal and bronze objects as well as clocks. A mass of little objects among the world's first collection of miniature furniture. Into Miniature kitchen show case, discover copper utensils of all sorts, the miniature cooker, and the 18th century miniature furniture.

Rare collection
unique in the World

Visit of the Kitchens

Maurice, the cooker automaton will explain you history and life in the kitchens during the 18th century : coopers, dishes, the well magnificently equipped kitchen, which looks almost as if it were still in use.

Hunt Treasury and Water gardens

Go and seek the Treasury among the topiaries and fantasy gardens. You will find clues in the game : « Hunt Treasury ». It will help you to find the treasury hidden in the large field maze.

Have fun in the surprise water gardens, a surprise garden from which water will suddenly gush out from a chinese bridge, a crystal tree, a garden of Muses, the tortoise cascade, and grotto with its 200.000 shells.

Take the map and discover all the follies in a huge park, where many rare trees can be observed.

Price :
€7.90
per child

Look and find the little rabbit in the Field Maze.
